

Dear Friend,

Remember when <u>Attorney Matt DePenro</u> promised <u>Peter Hoaxtra</u> and his rabble that <u>he would win in Court</u>? **Remember when DePerno said that he was right about the bylaws and Kristina Karamo was wrong?** Yeah...that did not age well.

R. Morris Owens @MoeOwensJD · 17h DePerno just lost his lawsuit against the real @MIGOP

claims to have taken over the county GOP.

•••

Jonathan Oosting @jonathanoosting · 19h Amid Michigan GOP leadership dispute, a similar battle is playing out in Kalamazoo, where a judge just denied Matt DePerno's request for a preliminary injunction that aimed to block a pro-Karamo faction that

A preliminary injunction is a critical step in a lawsuit regarding the governance of a political party. **DePerno's failed motion** had a claim that the resulting win is so obvious that relief should be immediately granted. This is typical of such motions and that is why when properly filed, the motion and the case are winners. And when **the motion is a pile of showboat B.S. that cannot withstand scrutiny**, the motion fails and the case fails too. While the DePerno's loss is not yet final, let's just say the "fat lady has warmed up and is about to take the stage!"

Yesterday, we intended to publish the dirty secrets of **Warner, Norcross & Judd.** The file did not publish for many of you. So we have reformatted the information, all of which is confirmable via public records search, <u>and will take another swing at this.</u>

Remember, Warner, Norcross and Judd Partner Troy Cummings, fresh off his

attempt to take out MIGOP Chair Kristina Karamo, <u>was just named by Ronna</u> <u>Romney McDaniel to be the election integrity legal tzar for the Republican Party in</u> <u>Michigan for the 2024 election!</u>

Yet, look at who Troy Cummings Supports! I want to know if he got a "Friends of Rashida Talib" T-Shirt with his donation?

Not familiar with "Ananich Future Fund?" You should be. Do some research on the names you see below that you don't already recognize.

The fight is real, and the fight is now. This is <u>smoking gun evidence of collusion</u> with the enemy and if you are not upset already, you simply have not been paying attention.

Think long and hard about the money that Warner, Norcross and Judd takes in to permit them to make these donations. Think long and hard about the client list that they seek to impress by making these donations.
