

Dear Friend,

As Republicans, what have we done to ourselves in Michigan? Why has there been such a focus on infighting and unproductive name calling? It's time to straighten out the circular, inward shooting firing line formation we have got ourselves into and **focus on winning elections in 2024.**

Has Gretchen Whitmer been so ineffective at destroying Michigan we can ignore her? We need to fight the right opponent!

We will need determination and perseverance in that fight.

The mission & purpose of the Michigan Republican Policy bulletin is to focus on core Republican, Pro-America, policies that can lead us to retake the Michigan House in 2024. Under no circumstances can we allow the Anti-American, pro Globalist Democrats (or phony Republicans) to derail that effort.

Many have correctly discerned that the rot from inside the Republican Party has been a huge impediment to a proper rebirth and rebranding of MIGOP as the Party of the Constitution. Many so-called Republicans are more than willing to have MIGOP be the Party of the World Economic Forum instead. At Michigan Republican Policy, we will lay out the facts and provide an easy set of core values so that you can "test the fruit" of would be leaders and discern the truth.

Here are the core values of **Michigan Republican Policy**:

We believe the American system of government, a constitutional Republic, is the finest ever developed by man.

We believe the traditional moral values of our Judeo-Christian heritage form the cornerstone of western civilization and that the family is the most vital unit of society.

We believe the free market system, competitive capitalism, and private enterprise afford the widest opportunity and highest standard of living for all.

We believe in the dignity of the individual. We welcome people from all ethnic racial and religious backgrounds judging others only by character and ability - as we wish to be judged ourselves - our common bond is a love for liberty and our rejection of totalitarianism under any label.

We believe that individual rights are endowed by our creator, not government; that the government's function should be limited to protecting our right to life, liberty, and property;

and that individual rights are inseparably linked to individual responsibility.

Education will be our strategy and truth shall be our weapon against those that seek to enslave us in lies. Following Christ's example in John 18:37, we must be ready to testify as to the truth and be ready to explain to others the hope that is within us. Messaging from Michigan Republican Policy will seek to provide you, the grassroots activist in Michigan, a lamp for the purpose.

Please be on watch for more communications from Michigan Republican Policy and forward them on to your friends. If you have a suggestion or comment, please forward them to info@puregrassroots.org.

Together, let us pursue less government, more responsibility, and – with God's help – a better world.

Yours in Service,

R. Morris Owens, J.D.
