

Dear Friend,

“Et tu, Brute?”

Shakespeare’s famous line from his tragedy *Julius Caesar* has become the penultimate literary way to express shock and dismay at betrayal. MIGIOP Chairwoman Kristina Karamo might well utter “Et tu, Melinda?” following the results of the January 6 fake Republican meeting and its aftermath.

Melinda Pego is to Kristiana Karamo what Make Pence was to Donald Trump.

To be clear, the convention of criminals, occultists and personal glory seekers that claim to have cast a vote on January 6 to remove Kristina might as well have been casting votes to elect galactic emperor. The media gave play to the sham because they love the ‘Republicans are falling apart’ narrative. For Craig Mauger and his crew, this story is like a Christmas subscription service and their direct contribution to chaos simply feeds the gloom and doom messaging that their globalist masters desire.

MIGOP Chief Legal Counsel Dan Hartman provides the details of how and why the meeting held on January 6 is a fraud here:

Why is this happening, you may ask?

Kristina Karamo is an incorruptible warrior for election integrity. The Michigan Republican

Party has special legal standing to protect the 2024 election and the globalists CANNOT allow Kristina to have access to those tools.

Melinda Pego has been a disappointment as a co-Chair from the jump. She was marginally effective at the convention to elect Kristina but her inability to follow through on promises or take on difficult projects ultimately let her on the sidelines. But to be clear, Kristina did not sideline Melinda as much as Melinda put herself on the side by simply being lazy.

Kristina has been kind and lenient with Melinda and her traitorous ilk. Unfortunately, they have mistaken Kristina's kindness for softness. As much as it saddens Kristina, she is left with little choice at this point but to enforce discipline.

The January 13 meeting of the Republican Party is a real meeting. There are major issues to discuss. The removal of Melinda Pego from her office to make room for someone that cares about winning elections in 2024 will need to be part of that agenda.

Over the next few days Kristina will be traveling around taking questions and you are all invited to come and get answers.
