

Dear Friend,

**“This is your favorite President calling.”**

If you have gotten a call from Donald Trump, almost certainly that’s how the call started.

MIGOP Chairwoman Kristina Karamo takes calls from President Trump regularly and was a dedicated 100% Trump supporter in 2016 and 2020.

Lately however, the **John Yob led cabal** behind the January 6 false meeting has been messaging out hard that Kristina Karamo is anti-Trump. They are also **spending vast amounts** of money paying Trumps inner circle in the hopes of getting sufficient payoff to convince Trump to torpedo Kristina.

Kristina Karamo is a dedicated America First Warrior, as a genuine smile will attest:

What is it that John Yob is using then to convince others that Kristina is opposing Trump? He claims that Kristina Karamo has failed to endorse Trump. It's a clever deception.

#### John Yob

The cleverness in John Yob's deception is that Kristina Karamo has not in fact officially endorsed Donald Trump for president. Why? As MIGOP Chairwoman, **she is legally prohibited from doing so before the primary.** This does not mean (as Yob's henchmen Malinda Pego, Andy Seabolt and Warren Carpenter would have you believe) that Kristina is anti-Trump. **It only means that Kristina will follow the rules and the law.**

Here are the rules which apply to Kristina, as she is a member of the Republican National Committee:

RULE NO. 11  
**Candidate Support**

(a) The Republican National Committee shall not, without the prior written and filed approval of all members of the Republican National Committee from the state involved, contribute money or in-kind aid to any candidate for any public or party office of that state, except the nominee of the Republican Party or a candidate who is unopposed in the Republican primary after the filing deadline for that office. In those states where state law establishes a non-partisan primary in which Republican candidates could participate, but in which the general election may not include a Republican candidate, the candidate endorsed by a convention held under the authority of the state Republican Party shall be recognized by the Republican National Committee as the Republican nominee.

(b) No state Republican Party rule or state law shall be observed that allows persons who have participated or are participating in the selection of any nominee of a party other than the Republican Party, including, but not limited to, through the use of a multi-party primary or similar type ballot, to participate in the selection of a nominee of the Republican Party for that general election. No person nominated in violation of this rule shall be recognized by the Republican National Committee as the nominee of the Republican Party from that state.

**What this means is that Kristina Karamo is legally forbidden from endorsing Donald Trump before the primary.** This does not mean that she does not support the president in any way. In fact, the president would be hard pressed to find a single person in Michigan politics that he could trust to support his America first positions more than Kristina Karamo.

Donald Trump's inaugural speech contained the keys to the fight we face today. Let's remember his words that day:

**“For too long a small group in our nation's capital has reaped the rewards of government while the people have borne the cost. Their victories have not been your victories, their**

**triumphs have not been your triumphs. And while they celebrated in our nation's capital, there was little to celebrate for struggling families all across our land."**

- **Donald Trump**

Kristina Karamo has led the charge to promote Americanism and oppose globalism. This is evident at the MIGOP.org website.

**If you support Donald Trump and want to see him to victory in 2024 in Michigan, let there be no mistake that Kristia Karamo as MIGOP chairwoman is the most certain path to that victory.**
