

Dear Friend,

Ronna Romney McDaniel, the RNC and the law firm of **Warner, Norcross & Judd**. It's a relationship of greed, compromise, and false idols. These are not just baseless insults; we have the proof! Proof in the form of a river of dirty Democrat money! **Warner, Norcross and Judd** is also **paid by the Chinese Communist Party** through their client Gotion.

Ronna Romney McDaniel just named **Troy Cummings** and the law firm of **Warner, Norcross & Judd** as the RNC's chief election integrity lawyer in Michigan for the 2024 election. We have attached in this email a report of the money that flows out of **Warner, Norcross & Judd** to **far left liberal democrats**.

There is no legitimate way the RNC would A) fail to know of this information before hiring them, B) legitimately hire them once this information was disclosed.

It is an obvious conflict of interest situation.

Ronna Hired Troy to “See No Evil” in 2024

The only reasonable explanation is that the fix is in for 2024. Troy Cummings is the professional legal hit man hired by the globalist aligned donor class in the Republican Party to betray America at the next Presidential election.

Remember the mess at the Detroit TCF?

Remember the “Biden Bump” in the middle of the night?

Remember all the Republicans, including many in Michigan, that betrayed Trump in 2020?

Remember all the claims that 2020 was the fairest, freest, most secure election in the history of any election ever?

Troy Cummings and the law firm of **Warner, Norcross and Judd** are the experts hired by Ronna and the RNC **specifically to make sure you get to see that go down again in 2024.**

Consider this as well – Troy Cummings is a lawyer that lives in Michigan. Yet if you start asking around the many election integrity groups that have been working in Michigan since the 2020 election, this guy is a ghost. Nobody has ever heard of him. **Troy’s involvement in Michigan election integrity to date is ZERO.** So, what exactly are his qualifications?

Troy is a political gigolo who seems to intermittently “pleasure” Ronna McDaniel, Rashida Talib, Gretchen Whitmer, Joe Tate and many others. As disgusting as it sounds, these guys all play for the same team of globalists and a law firm is a perfect confluence point due to “privilege” and “trust accounts” that can be used to hide money and associations.

Troy is also the hired legal assassin to take out MIGOP Chair Kristina Karamo. Click here for a video from Kristina Karamo explaining it herself: [Are Warner Norcross & Judd partners involved in an effort to fraudulently remove Chairwoman Karamo? \(rumble.com\)](#)

Here is just some of Troy's political whore client list, all of which can be verified in public records searches of campaign finance records:
