We need your help to hold an event like Friday in Detroit in an area near you! Help put this show on the road, and even more importantly help make sure its not just the choir that gets the message.

Michigan is corrupt. No. 1 in the Nation in that shameful category. We need to fight back and that is exactly what we will do. We intend to have Kristina Karamo on tour all over the State of Michigan and we intent to leave behind "Seal Team 6" political action teams that can operate within the Republican Party but are not beholden to the globalist elite lackeys. Our political action will get advanced training on political organization, fund raising and have access to intel and national resources.

Will you pitch in \$25 or \$50 or more to make that happen? All proceeds will go to putting Kristina Karamo on tour.

We just demonstrated proof of concept and now we need your help!

Friday night was electric!

Friday night was a packed House!

Patrick Colbeck and his truth warrior friends!

The Delegates **LOVE** Kristina Karamo!

Dr. Alan Keyes reminds us why we are in the fight.

Help bring this show to your town!

Will you be part of that fight? E-mail us at info@puregrassroots.org to get involved!

What can **YOU** do about this?

Get educated and get active in your community!

Use these guiding principles to form your team:

We believe the American system of government, a constitutional Republic, is the finest ever developed by man.

We believe the traditional moral values of our Judeo-Christian heritage form the cornerstone of western civilization and that the family is the most vital unit of society.

We believe the free market system, competitive capitalism, and private enterprise afford the widest opportunity and highest standard of living for all.

We believe in the dignity of the individual. We welcome people from all ethnic racial and religious backgrounds judging others only by character and ability - as we wish to be judged ourselves - our common bond is a love for liberty and our rejection of totalitarianism under any label.

We believe that individual rights are endowed by our creator, not government; that the government's function should be limited to protecting our right to life, liberty, and property; and that individual rights are inseparably linked to individual responsibility.

If you agree with the above concepts, you are a "Bircher" so let's get organized in local chapters of the John Birch Society to start impacting your community. In this way we can still work as an organized team statewide without concern of interference from the political thugs that set out to lynch Kristina. Join here: [Join the John Birch Society : The John Birch Society \(jbs.org\)](https://www.jbs.org). You can also reach Michigan JBS field officer Rhonda Miller at: rmiller@jbs.org

The fight continues!
