

Dear Friend,

Over the last few weeks I have made the following claims:

1. **Kristina Karamo represents the grassroots republicans that will sacrifice their last drop of blood, sweat and tears to make sure that the 2024 election is not stolen.**
2. **Peter Hoekstra represents the globalist elite Republican establishment. He will launder money and when it is most advantageous, he will betray Trump and let the 2024 election be stolen.**

These are bold claims. Our nation has a history of making bold claims. In 1776 our founding fathers made some bold claims and then put those claims to the test by stating: "To prove this, let Facts be submitted to a candid world."

Let us follow that example now.

First, as to my claim that Kristina Karamo is the Chair of the grassroots. Over the last few weeks, Kristina Karamo has toured the entire state taking Q&A for hours. EVERY SINGLE QUESTION WAS ANSWERED, no matter how "hostile". EVERY SINGLE QUESTION even if that took four hours or more.

Kristina has another public Q&A tonight. Please join her:

How many events has Peter Hoaxtra thrown where he was subject to Q & A from the delegates? **Zero**. How many town hall events has he planned? **Zero**. Peter Hoaxtra is up in his elitist tower hiding behind John Yob's

skirt and will NEVER answer to the delegates. How can I say that? Because he CAN'T. His record as a corrupt Washington swamp creature is so well documented that he could never pass scrutiny if put to the test.

Watch here as Patrick Byrne clearly legitimizes the fact that the January 6 Coup was deep state operation that used unwitting people like Pego to create Chaos that they could harness in to a coup ratified by media and financial connections: <https://x.com/MoeOwensJD/status/1759299222157791678?s=20>

Patrick Byrne's Reaction to Peter Hoaxtra's coup is PRICELESS

The reality for anyone adult enough to read and process an independent thought is that Peter Hoaxtra was a **MISERABLE** congressman with a **HORRIFIC** voting record. As our founding fathers said, lets facts be submitted to a candid

world: Peter Hoekstra - The New American.

I have challenged the fringe Coup Crew to make an attempt to offer an intelligent defense of Hoaxtra's voting record. **NOT A SINGLE ONE IS UP TO THE CHALLENGE!**

Put simply, Peter Hoaxtra is a Washington swamp creature that answers to the globalist elite.

He will never admit any of those votes are wrong.

He will never denounce the Council on Foreign Relations or the World Economic Forum

He will never even have a open Q & A (like the actual MIGOP chair Kristina Has done all over the state - in every district!). He can't. he would get exposed.

Sadly, there are many that are just "stuck on stupid" and will not engage in independent thought. See this one for example where, when pressed on the indefensibility of Hoaxtra's voting record, she simply admitted, "I don't Care".

You always have some off the wall response... you need to stop dividing the party and do what's right for the country

Are you even the least bit aware of Hoaxtra's record in Congress? How does that not bother you? Do you think for yourself? If so, please explain and defend his record in congress. Here is a record of his votes:

Your opinion is irrelevant

Nice dodge. We both know his record is indefensible. And the fact you don't care is quite interesting

@Mellissa_Carone

No, I don't care. I care about what his present intentions are and what

I hope that you do care. Our nation and our heritage of liberty demands that you do care.

As to a claim that maybe Peter has repented and is a good guy now. Well, how about he hosts an open town hall around the state and let the delegates "test the fruit."

How about put the whole matter to a vote on March 2?

Kristina Karamo would be pen to that. Peter Hoaxtra will not because he knows that if he had to actually answer to his past he would be exposed as a globalist stooge without question.
