

Dear Friend,

Where is Peter Hoekstra?

He's not doing anything about election integrity for sure!

Yesterday the Detroit Board of Elections, the epicenter of election fraud in 2020, held an all access behind the scenes access for the 2024 election at the TCF. Every aspect of how the observations are made, to how any objections are filed, processed and adjudicated was subject to review and comment.

**Fortunately for Republican delegates in Michigan, The Chair of MIGOP was there too.**

...

Chairwoman Karamo, a member of her administrative team, and Tim Vetter from our Election Integrity partner - Check My Vote, are at the TCF center doing the poll-challenging walkthrough on behalf of the Michigan Republican Party. For such an important matter, where is Pete...

What was Peter doing?

Did he sleep in?

Was he in the bathroom?

Perhaps election integrity is not important to him.

Well what kind of stuff is important to Peter? Swamp creature kind of stuff, that's what!

Hoekstra was the swampiest of swamp creatures in Congress with a voting record to match.

A **60% grade in adhering to the Constitution is a FAIL** in most schools.

This is Peter Hoekstra's indefensible voting record in Congress.

### **Pork Barrel Spending – Unconstitutional Spending of \$91.9 Billion**

This legislation (H.R. 4939) would appropriate a whopping \$91.9 billion for emergency supplemental funding in fiscal 2006, including \$67.6 billion for the wars in Iraq and Afghanistan, \$4.3 billion for foreign aid, and \$19.2 billion for Hurricane Katrina relief. Congressional Quarterly noted that the funding in the bill "for the wars in Iraq and Afghanistan would push to more than \$390 billion the war-related supplemental funds appropriated since Sept. 11. It would be the sixth major emergency spending measure for the Bush administration."

### **Foreign Aid – Giving Anti-American Foreign Dictators \$21.3 Billion**

The fiscal 2007 foreign aid appropriations bill (H.R. 5522) would authorize \$21.3 billion for foreign operations and economic assistance in fiscal 2007. Though foreign aid is supposed to help the poor and suffering in other countries, it instead has served to prop up economically deficient socialist regimes and to transfer wealth from American taxpayers to third-world elites.

### **Federal Unconstitutional Spending on Education \$601.6 Billion**

This massive social-welfare appropriations bill (H.R. 3010) would provide \$601.6 billion in fiscal 2006 for the Labor Department (\$14.8 billion), the Education Department (\$63.5 billion), the Health and Human Services Department (\$474.1 billion), and related agencies. H.R. 3010 is the largest of the appropriations bills considered by Congress this year. In total, H.R. 3010 would provide a **21 percent increase** over a similar appropriations bill for fiscal 2005.

### **Sell-Out on American Manufacturing with CAFTA**

H.R. 3045 implements the proposed Central American Free Trade Agreement (CAFTA), thereby expanding the devastating consequences of the North American Free Trade Agreement (NAFTA), including the job losses wrought by NAFTA. CAFTA is intended by the Power Elite to be a steppingstone from NAFTA to the proposed Free Trade Area of the Americas (FTAA), which would include all of the countries of the Western Hemisphere except (for now) Cuba. Like NAFTA, which has already begun imposing its trade rulings on America, CAFTA and the FTAA would not be genuine free trade arrangements; they would instead manage trade and would gradually exercise more powers on the road to a supranational government modeled after the European Union.

### **Selling Out American Interests to Globalist Organizations (WTO)**

Hoekstra led the No vote to reject Ron Paul's (R-Texas) measure (House Joint Resolution 27) to withdraw the United States from the World Trade Organization. The WTO is often portrayed as a "free trade" arrangement by its supporters, but it is actually an international bureaucracy that manages trade and imposes its rulings on member nations including the United States — even when those rulings are contrary to U.S. laws. In fact, U.S. membership in the WTO is unconstitutional, since under our Constitution, Congress — not an international body — "shall have the power ... to regulate foreign commerce." That power cannot be transferred short of a constitutional amendment.

The People do matter.

The People want the swamp to be drained.

**Peter Hoekstra is the swamp!**

We must rally for Kristina Karamo now, or we will surely be seeing Trump lament

about Michigan when Pete sells him down the river like **Mike Pence, Bill Barr, Betsy DeVos, Jenna Ellis** and more. In each of these instances Trump made decisions made on recommendations of staff rather than by himself – just as the case now with MIGOP – and the results have been devastating.

Do not a few corrupt staffers on Trump's team steal Michigan!
