

Dear Friend,

Thank you again for your comments! **Please send us your thoughts on your choice of Co-Chair to: [info@puregrassroots.org](mailto:info@puregrassroots.org).** Elected officials (Such as a State Representative or a State Senator) require a special waiver but could be eligible under the By-laws to serve as MIGOP Co-Chair. I will do a poll on Facebook and Twitter with some of the top nominees I receive in response to this email.

Some critical Party news to update you with...

Actions have Consequences.

On Thursday night Malinda Pego and Sue Allor were **held accountable** for their failed coup attempt on January 6. Both lost their local party positions, one by resignation under threat of removal, one by foreseeable removal.

**It is worth noting that these actions were in no way guided by or demanded by MIGOP. Both actions were taken at the behest of the delegates because they were furious that Pego and Allor had betrayed their trust.**

Pego and Allor seemed to be confused about the status of State Chairman of the Michigan Republican Party. But you know who has no confusion **AT ALL?** The RNC knows who the chair is. You can go to their website and see it right now.

### THE REPUBLICAN NATIONAL COMMITTEE

#### MICHIGAN

**Kristina Karamo**  
STATE CHAIRMAN

**Rob Steele**  
NATIONAL COMMITTEEMAN

**Kathy Berden**  
NATIONAL COMMITTEEWOMAN

Malinda Pego **was** (emphasis on the past tense) the Chairman of the Muskegon County GOP. When she showed up to her County Party meeting, she was, for the first time, in a position to be held accountable to the delegates. The VERY same delegates that had supported her for Chair of her County Party and Co-Chair of the State Party gave her no quarter for her treachery and betrayal of the MAGA movement. **In the face of certain removal by the county party, Pego resigned in disgrace.**

**Pego resigns in disgrace under pressure of removal.**

The First District Committee Removed Sue Allor by force, 16-0 , for the fraud she perpetrated on January 6 when she bused in proxy votes to undermine MIGOP and Kristina Karamo. Sue Allor understood her district overwhelmingly supported the Karamo administration, yet she personally supplied seven people to serve as proxies for the January 6 Coup attempt. **Allor was a key instigator and planner in the Coup attempt.**

Enter now [Peter Hoekstra](#), [Vance Patrick](#) and [Lena Epstein](#). Do they understand the wrath of the Delegates they will instigate. Perhaps they do not care in their dash for personal glory.

Peter Hoekstra's presence is one of the most significant instances of proof that John Yob is the mastermind behind the attempted coup. It has been reported at length that Yob has been a long-time promoter of and senior advisor to Hoekstra.

Hoekstra is a Nikki Haley type of globalist Republican that repeatedly betrayed Donald Trump's trust. As a member of Congress, his voting record was miserable! According to the New American Freedom Index, he is a F as a congressman. Peter Hoekstra - The New American

## Constitutional Votes

Score	Congress
<b>60%</b>	<b>Lifetime</b>
79%	111th (2009-2010)
67%	110th (2007-2008)
33%	109th (2005-2006)
50%	108th (2003-2004)
64%	107th (2001-2002)
64%	106th (1999-2000)

Horrific votes included so many spending bills that even a drunken sailor would blush. He voted for the Patriot Act. Bailouts. Just about every miserable swampy bill you can imagine.

Very close friends Vance Patrick and Lena Epstein offer very little differentiation from each other. **Basically, what you get is a bunch of MAGA sounding sizzle with not much actual steak.**

Sure, they will raise a bunch of money. But that **money will be squandered on lobbyists, alcohol, cigars**...and ultimately as in the case of GOP leaders Rick Johnson and Lee Chatfield **it will lead to adultery** (Andy Seabolt) **hookers and cocaine.**

For example, Vance Patrick raised a ton of money of the Trump event.

**Did it go to election integrity?**

**Nope.**

**Did it go to support Freedom Caucus type MAGA state house candidates?**

**Nope.**

**Did it go to Trump reelection efforts?**

**No again!**

**What did it go for?**

A massive party Vance held on New Years Eve for his friends with **all the alcohol you can drink and cigars you can smoke.** Were hookers and coke included in the VIP package, Vance?

The Delegates are tired of the corruption. They want an honest person that will reject the temptations of power and focus on the important things.

Election Integrity.

Exposing Globalism.

Reelecting Trump.

Winning the General Assembly.

Eliminating Property Tax.

It is for these reasons **we must support Kristina Karamo.**
