

Dear Friend,

Kristina Karamo is the Chair of the Michigan Republican Party. Some corrupt bum judge on the take from Warner, Norcross and Judd does not change that fact any more than the corrupt bum judges that proclaimed that they found “zero evidence of fraud” in the 2020 election changes the fact that Trump won.

Election integrity is the single greatest concern for the 2024 election. No matter what, we **CANNOT** allow the 2024 election to be stolen. That’s a thing that cannot happen. However, allowing **Peter Hoaxtra** and **Warner, Norcross and Judd** to be in charge of election integrity is no different from hiring a known arsonist to be chief of the fire department.

The theft of MIGOP and the theft of the 2020 election has common parentage in that Peter Hoaxtra was DEEPLY involved in both.

Hoaxtra was instrumental in the passage of the 2002 Help Americans Vote Act (HAVA). This legislation was the main catalyst and critically necessary architecture that allowed the 2020 election to be stolen. Election Integrity expert Col. Kurt Hyde (USAF, Ret.) explains how HAVA allowed U.S. Census data to be used to fraudulently creating voter registrations: [Will the 2010 U.S. Census Data Be Used to Fraudulently Register Voters? - The New American](#)

Hoaxtra was a major proponent of HAVA and voted for its passage on Roll Call Vote 489: [Final Vote Results for Roll Call 489 \(house.gov\)](#)

Who benefits most from these thefts? The globalists. Hoaxtra and Joe Biden both answer to the same boss. **As it turns out, it’s the same boss that Ron Weiser and Ronna McDaniel reported to as well.**

**Meet the
NEW
Boss!**

Who is the boss of bosses you might ask?

This guy:

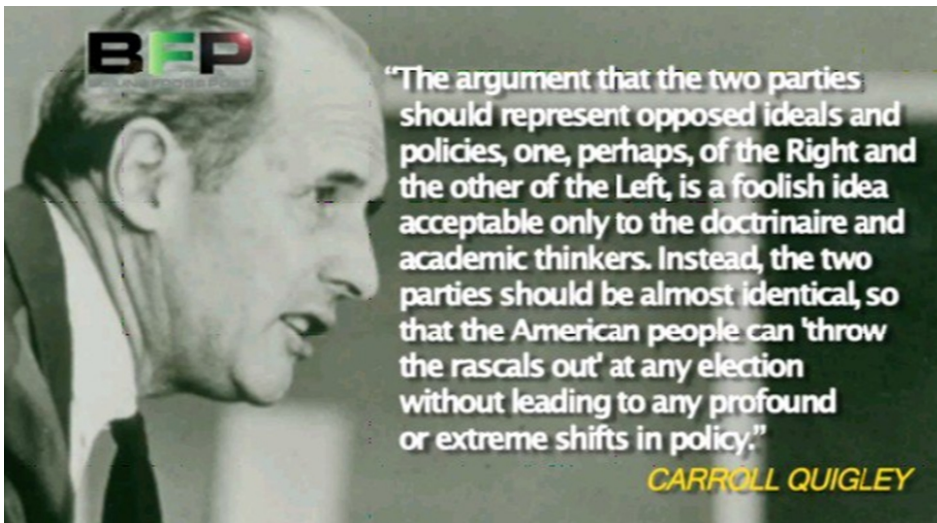

Klaus Schwab Hates God and Seeks "Depopulation"

Are we being unfair to Peter by lumping him in with Joe Biden and Ron Weiser? Not at all. Pete has a track record of performance for Schwab, serving up the people of the United States on a platter like it's a sick, demented sacrificial offering. Here is the damning proof of Peter's treachery: [Peter Hoekstra - The New American](#).

It must be understood that Hoaxtra has made no offering of repentance for his miserable past and has simply demonstrated a commitment to advancing his overtly Anti-American policies forward today. It would be easy to say he was just a dummy that got taken on HAVA, but we should not underestimate the man, he is not stupid. Evil likely, stupid, definitely not.

The idea that because Hoaxtra is a “Republican” he also is pro American is a fraud. That’s a lie that has resulted in the substantial loss of American sovereignty. Georgetown Professor Carroll Quigley, the chief political and intellectual mentor to Bill Clinton and many others explains how politics really works:

The future of Western Civilization hangs in the balance at this moment. Look to Scripture. Maintain vigilance. Fight back clad with the full armor of God.
