

Dear Friend,

Trump won in Iowa! Trump won in Kalamazoo too!

Wait. Kalamazoo?

Yes, Kalamazoo too!

Why do I say **Kalamazoo?**

Because, in Kalamazoo, there are **17 tremendous Trump loving patriots**, duly elected delegates all, that were illegally removed, physically assaulted, and politically blacklisted by Never-Trumpers and 2020 election flip floppers. These Nikki Haley/Klaus Schwab types of election apologists still claim that Joe Biden is a legitimate President (he is not).

After a political Lazarus event, these **17 MAGA delegates are restored!** And none to soon as President Trump (yes, he is the legitimate president) needs real election integrity warriors, not phony Mike Pence type backstabbers.

Led by Kelly “The Sacker” Sackett, a rogue band of Never-Trumpers utilized globalist money funneled through **John Yob** to buy their way into power on the Kalamazoo Executive Committee and then illegally changed the Kalamazoo Republican Party by-laws to claim raw, unprecedented power coalesced in the hands of a very few.

Narcissistic egomaniacs like to flex their “authority” and use “might makes right” as a replacement for a republican form of governance. In this regard, Kelly “The Sacker” Sackett looks at Eric Cartman of South Park for inspiration!

With zero legal authority, but with 100% hubris, Kelly “The Sacker” Sackett “sacked” **17** elected Republican delegates in Kalamazoo for the crime of being unapologetic election

integrity warriors that supported Donald Trump.

This letter was drafted by "The Sacker" and sent to the Kalamazoo Clerk:

Shortly after that letter went out, all 17 individual delegates received this insane, illegal letter

from Kelly “The Sacker” Sackett:

With the authority vested in my capacity as County Party Chair for the Kalamazoo County Republican Committee (KGOP), you are hereby notified that you have been removed as a Kalamazoo County Republican Party Delegate for Portage City - 11.

Most Appreciative,

A handwritten signature in black ink that reads "Kelly Sackett". The signature is written in a cursive style with a long horizontal flourish extending to the right.

Kelly Sackett

Chairwoman

Kalamazoo County Republican Committee (KGOP)

“With the authority vested in [me]...”

Are you kidding me? These delegates were elected! “We the People...” want election integrity but “The Sacker” thinks she can just wipe out and nullify the election of these 17 delegates. **That’s election fraud!** Where do these people get such delusions of grandeur that they can declare themselves Judge, Jury and Executioner?

Force and intimidation are the tools of choice for tyrants as they are successfully used to cow many into submission. That was in fact the experience in Kalamazoo under the reign of “The Sacker”. As soon as the illegal removals went out, these crazy signs went up:

**PRIVATE
PROPERTY**

**NO TRESPASSING
VIOLATORS WILL
BE PROSECUTED**

**PROPIEDAD
PRIVADA**

**PROHIBIDO TRASPASAR
LOS TRANSGRESORES
SERAN CASTIGADOS**

What could be more welcoming to the community?

Despite being in open violation of Michigan law, Kelly “The Sacker” Sackett was so audacious as to call the police on elected delegates and a former KGOP Treasurer to have them forcibly removed from meetings that they were - by law - duty bound to attend. “The Sacker” labeled the 17 Trump delegates as “insurrectionists” and had them physically tossed out as “Trespassers”.

Let there be no question about it, the removal of the 17 MAGA delegates was clearly illegal. Through legal counsel, the clerk responded by issuing “The Sacker” a strongly worded Cease & Desist letter:

I represent the Kalamazoo County Clerk/Register of Deed's Office ("Clerk's Office") as Corporation Counsel. Please direct all communication from you or Ms. Sackett, intended for the Clerk's Office related to this matter to me.

It is my understanding your client, Ms. Sackett sought a meeting with the Kalamazoo County Clerk/Register and County Elections Coordinator. ("Clerk's Office") for an unstated purpose. You and Ms. Sackett then attended a March 8, 2023 meeting with the Clerk's Office. The purpose of the March 8, 2023 meeting was disclosed only at the actual meeting and involved you and Ms. Sackett seeking a mechanism for removal of precinct delegates of the Kalamazoo County Republican Party. The Clerk's Office directed you to the State Republican Party on this matter and advised you and Ms. Sackett at that time, and repeatedly since then, that the Clerk's Office is not empowered to remove a precinct delegate beyond the statutory language for handling a "written complaint," on two specific grounds, prior to the release of ballots for printing, which states in part,

The Clerk's Office has no role in the removal of a precinct delegate beyond what is provided for in state statute which was communicated to you and to Ms. Sackett during the March 8, 2023 meeting. The Clerk's Office as such, referred you and Ms. Sackett to the Michigan Republican Party and the Kalamazoo County Republican Party bylaws and/or internal governing documents. The Clerk's Office also made clear it is their position that the removal of a precinct delegate and questions related to such action are matters of party governance and at this time, the Clerk's Office strongly reaffirms that position.

The Clerk's Office has now received email and mail correspondence from Ms. Sackett dated April 13, 2023 titled, "Kalamazoo County Republican Committee Delegates," that includes a letter from Ms. Sackett dated April 11, 2023 titled "Change in Precinct Delegate Status," to notify the Clerk's Office that seventeen (17) individuals named in the April 11, 2023 letter "...are no longer delegates with the Kalamazoo County Republican Party." The April 11, 2023 letter also requested that the County Clerk "[p]lease update [their] records to reflect these changes." The Clerk's Office will maintain a copy of the April 11, 2023 as part of the public record and meet all statutory obligations to maintain information regarding the names of the delegates elected pursuant to MCL § 168.608.

Additionally, as a final matter, the Clerk's Office wishes to address what appears to be miscommunication regarding the role of the Clerk's Office. The Clerk's Office is aware of allegations Ms. Sackett made statements, either directly or indirectly, that the Clerk's Office was involved, authorized, or confirmed the removal of the seventeen (17) precinct delegates identified in the April 11, 2023 letter. This misunderstanding has resulted in a major disruption to the work of the Clerk's Office through increased distressed telephone calls and an on-site presence on April 17, 2023 of precinct delegates alleging Ms. Sackett advised them the County Clerk authorized their removal.

This communication shall serve as official notice on behalf of the Kalamazoo County Clerk's Office that the County Clerk and the Clerk's Office had no role and shall have no role in the removal of any precinct delegates for any political party beyond the process provided for by state statute relating to the role of the County Clerk with respect to precinct delegates.

We believe this to be a misunderstanding as to the role of the Clerk's Office, however, to the extent you, Ms. Sackett or any other individual on behalf of the Kalamazoo County Republican Party has made or makes in the future any statement to the contrary that allege or infer, directly or indirectly that the Clerk's Office is in any way connected with the removal of any precinct delegate, please

be advised this misstates and misrepresents the role of the County Clerk and any such communications must cease.

Please feel free to contact me if you wish to discuss this matter.

In case you were wondering if Kelly “The Sacker” Sackett had legal counsel of her own, why yes, she did! And in fact, her legal counsel is a notorious election integrity flip flopper who is perfectly fine taking money from Never-Trumpers.

Who is this dastardly lawyer deserving of your enmity?

RE: Precinct Delegates

Dear Mr. DePerno,

DePerno & Sackett are Chaos Agents, purposely turning the GOP into a clown show as cover for a planned stolen 2024 election.

Mr. DePerno, rebuffed and outlawered by the Kalamazoo Government in-house counsel, decided to pivot on strategy and craft new KGOP (Kalamazoo Republican Party) by-laws that comprise the most over the top authoritarian, draconian, un-American provisions imaginable.

The new DePerno/Anti-MAGA By-laws:

- Allows removal of elected delegates from their office for no reason;
- Prohibit all but a small select class of persons from running for or holding any leadership position;
- Changed the election process to guarantee continuity of power in the Never-Trumpers through the 2024 election;
- Massive fines of \$1,000 a day or more levied against any MAGA Trump supporter if they attempt to call out any election fraud in 2024.

Just a handful of the insane provisions are included herein *verbatim*. The e-mail would be WAY too long to otherwise print them all! (Editor Note: Please e-mail us as indicated below and we will email you a complete copy).

ARTICLE 12 – CONFLICT RESOLUTION and REMOVAL

12.1. Precinct Delegates are county party positions who serve at pleasure of the Executive Committee.

12.3. Any Member or person elected in Kalamazoo County as a Precinct Delegate on the Republican side of the ballot may be censured, suspended, or removed from such position for any reason by the

12.7. Any current or former KGOP Member, non-member, or current or former Precinct Delegate who issues a "call to convention" or holds a convention without the authorization of the County Chair or otherwise in violation of these bylaws, shall be subject to removal (if not already removed) or shall be fined \$10,000 plus \$100 per day until paid, or both.

12.8. The KGOP is an autonomous self-governing private political organization. No other county committee, district committee, state committee, or political party committee may assert control over KGOP. In the event MRP of any of its committees, committeemen or committeewomen, officers, legal counsel, employees, or volunteers attempt to or does assert any control on any aspect of KGOP, its Statement of Organization, its membership, its Executive Committee, Officers, or operations, MRP shall be fined \$150,000 payable on demand plus \$1,000 per day until paid. The person or persons who attempts to or does assert any control shall be fined \$10,000 payable on demand plus \$100 per day until paid. These amounts may be cumulative.

Not only was this stunt trying to be pulled in Kalamazoo, but this plan was to export the same set of by-laws all over the state! Matt DePerno tyranny over the delegates is to be the template of how the Never-Trumpers plan to rule with an iron fist.

Kelley “The Sacker” Sackett and her co-conspirator Matt DePerno have been at the epicenter of the **John Yob** financed January 6 Coup in Commerce and they no doubt have their hand picked player coming out to replace Pego, whose usefulness apparently has run its course. Their selection:

Chairman Vance Patrick @vance_gop · 8h

I've officially announced my candidacy for Chair of the Michigan Republican Party, the vote for which will be held this Saturday.

MIGOP already has a Chair. Her name is Kristina Karamo. Any “vote” held on January 20 will carry the same legitimacy as Mr. DePerno’s failed attempt to strongarm the Kalamazoo Clerk – None.

Here is the irony of the Vance Patrick selection. Except for Donald Trump handing Mr. Patrick a massive financial windfall, the guy can’t raise money.

Take as Exhibit “A” for **Vance Patrick’s cloak of failure**, his recent debacle on New Years Eve. Instead of spending the Trump windfall on election integrity, he spent it on booze and cigars for lobbyists at a swanky hotel. **He took a substantial beating on it financially.**

Just wasted the Trump largess like it was of no consequence. **\$50,000 gone? Whoops!**
Where is the accountability?

Please reach out to Mr. Patrick and ask the following:

1. Please provide a fully transparent accounting for all funds raised from President Trump's visit;
2. Please provide a complete, detailed income and expense report for the New Years eve event. Please be sure to include all expenses for alcohol and cigars.

You can reach Mr. R. Vance Patrick at: vance@vancepatrick.com

Vance Patrick wants to spend money on booze and cigars for lobbyists.

Kristina Karamo wants to spend the money on election integrity.
