

Dear Friend,

It's time to start looking forward to winning elections in 2024. Grechen Whitmer is – as we speak – in Davos, Switzerland betraying America to the international elite at the World Economic Forum. For her to do real damage in Michigan, she needs both houses of the Michigan Legislature.

This cannot happen!

Our fight will require dedication and focus. And we will need to see the Republicans in Michigan leading the charge. For that to happen, the delegates will need to lead from the front.

Fortunately, **there is a strong group of legislative leaders for the delegates to work with** that can make sure that when we retake the Legislature, we will not get the kind of leadership offered by Lee Chatfield, Rick Johnson, and their ilk.

Many Republican legislators had a real opportunity to use their influence to call out the stolen 2020 election but were wimps.

We will need real warriors in the Statehouse! And we have them! Here they are:

102ND LEGISLATURE HOUSE FREEDOM CAUCUS

REP STEVE CARRA
CHAIRMAN

REP MATT MADDOCK
VICE-CHAIRMAN

REP NEIL FRISKE
SECRETARY

REP ANGELA RIGAS
PARLIAMENTARIAN

REP JOSEPH FOX
DEAN

REP ANDREW BEELER

REP RACHELLE SMIT

REP JIM DESANA

Please seek them out on Social Media and share their content.

In particular, Chairman Steve Carra is in an excellent position to work with good natured

Republicans that got caught up on the wrong side of the failed coup attempt but want to earnestly make amends and seek to work together in unity. For those that want to win in 2024 but have a problem with Kristina for whatever reason real or imagined, please consider working directly with the Freedom Caucus as they seek the same end goals as MIGOP under the Karamo administration.

For those that love Kristina, and there are many of you that fit that description, **working with the Freedom Caucus is essential to her continued success** and her **legacy as MIGOP Chair**. Consider this. The prior administration oversaw the most epic loss in the history of the Republican Party in Michigan. **It is like Kristina took over a 0-16 football team with no draft capital and zero salary cap space.**

If in her first season as head coach of MIGOP, if she can help lead a takeover of the House with a leadership made up of Freedom Caucus members, that will be like taking your team to the playoffs and winning! **This will cement the legacy of Kristina Karamo!**

Some final notes on the January 13 MIGOP State Central Committee meeting...

An overlooked blessing that got buried in all the other major news coming out of the MIGOP state Central Committee Meeting on January 13 was the State Central Committee vote to vacate the actions of Kelly Sackett in attempting to illegally remove elected delegates.

Kalamazoo Delegates Recognized

Sabrina Pritchett explains the situation:

Today was a good day. The Michigan Republican State Committee confirmed that Kristina Karamo is the State Party Chair by a vote of 59-1 with 2 abstains.

The State Committee also recognized the will of the Kalamazoo County Precinct Delegates in our replacement of the county executive committee delegate elected members and replacement of officers at our September 15, 2023 Special County Convention. This has been a long road of fighting tyranny by the past executive committee. The Kalamazoo delegates have been courageous throughout this battle. We have received removal letters, threatening emails, and calls. Thank you to every delegate that stayed in the fight to restore power to the delegates.

A special thank you to [Kim Kovac Harris](#). She has been my partner on the frontline of this battle.

When the people fear government, we have tyranny. When the government fears the people, we have freedom! - Thomas Jefferson

Welcome back Kalamazoo!

Sadly, the John Yob crew is refusing to concede. So probably you will see some more drama. But as for Kristina and MIGOP, it's time to move forward.
