Let there be no doubt, this entire case was a load of manure. This travesty of justice epitomizes the most egregious abuse of prosecutorial power and a flagrant violation of due process. The verdict, born out of a politically motivated witch hunt, stands as a stark indictment of a legal system that has been perverted to serve partisan ends. The biased proceedings, marred by prejudicial conduct and a blatant disregard for the presumption of innocence, have culminated in an unjust result that mocks the very essence of our judicial principles.

This verdict is not just a miscarriage of justice—it is an affront to the rule of law, a betrayal of our constitutional safeguards, and a dangerous precedent that imperils the integrity of our legal institutions. The orchestrated campaign against President Trump, driven by unrelenting animus and devoid of any semblance of fairness, has produced a verdict that is as illegitimate as it is indefensible. Such judicial malfeasance demands our utmost condemnation and an unwavering resolve to restore the principles of justice and fairness that this case so egregiously undermines.

A key lesson that needs to be understood is that this case had as a key component a betrayal by someone that Trump trusted – Michael Cohen.

We have a pack of Michael Cohens in Michigan too. Here are the traitors that will say “We love Trump” just like Michael Cohen, but will surely stab him in the back the moment their Globalist masters tell them it time to reveal their treachery. At MRP we know where the “bodies are buried” and we can name the names.

Here are the guaranteed, we know beyond any shadow of a doubt, people that have ZERO integrity **and WILL betray Trump.**

Finalists for the “Michael Cohen Integrity Award”

- Peter Hoekstra
- Mike Rogers
- John James
- Jack Bergman
- Mark Forton
- Vance Patrick

Scripture tells us to judge them by their fruit. And when any of these men are inspected for their fidelity to the Constitution and for truth, they are revealed as total charlatans. For example, look at the voting records that all of these guys support:

The reality is that John and Rashida are one and the same in Congress. They might as well share staff.

No reasonable Republican would accept 17% from John James. And No reasonable Republican should support the "Michigan Michael Cohens" as identified above. They are poison.

Unless we want to see defeat in 2024 like we did in 2020, we must understand that the traitors and false conservatives – like Mike Pence – do FAR more damage than the Democrats.

If you want to win in 2024, you must start by throwing out the known traitors from the camp. How can you identify them? Judge them by their fruits. Do they support politicians that habitually demonstrate zero regard for their oath of office? Well, that's a pretty big clue!

Michigan is ground zero for the globalist assault on America. Will you join with us and fight back?

What can **YOU** do about this?

Get educated and get active in your community!

Use these guiding principles to form your team:

We believe the American system of government, a constitutional Republic, is the finest ever developed by man.

We believe the traditional moral values of our Judeo-Christian heritage form the cornerstone of western civilization and that the family is the most vital unit of society.

We believe the free market system, competitive capitalism, and private enterprise afford the widest opportunity and highest standard of living for all.

We believe in the dignity of the individual. We welcome people from all ethnic racial and religious backgrounds judging others only by character and ability - as we wish to be judged ourselves - our common bond is a love for liberty and our rejection of totalitarianism under any label.

We believe that individual rights are endowed by our creator, not government; that the government's function should be limited to protecting our right to life, liberty, and property; and that individual rights are inseparably linked to individual responsibility.

If you agree with the above concepts, you are a “Bircher” so let’s get organized in local chapters of the John Birch Society to start impacting your community. In this way we can still work as an organized team statewide without concern of interference from the political thugs that set out to lynch Kristina. Join here: [Join the John Birch Society : The John Birch Society \(jbs.org\)](https://www.jbs.org). You can also reach Michigan JBS field officer Rhonda Miller at: rmiller@jbs.org

The fight continues!
