Why Won't Peter Hoekstra Support Sheriff Dar Leaf?

Sheriff Dar Leaf is a hero; His investigation and subsequent release of documents has put into the public domain a treasure trove of proof that Joe Biden is an illegal usurper and beneficiary of a stolen election.

Even the people at Dominion Voting Machines would agree as their biggest problem was making sure the "non-existent" modems were working reliably...

What are some of the key take away facts that we learned from the Sheriff's release of Documents?

- Dominion had internet connectivity installed in the machines
- Dominion was aware of hacks from Kosovo

All sorts of people in Michigan are helping to bring this information to light. But where is Peter Hoaxtra? Where is the fake Michigan Republican Party under his "leadership"?

Sheriff Leaf is in the vanguard of the "constitutional sheriffs" movement, which asserts that sheriffs possess supreme law-enforcement power in their jurisdictions within the limits of the Constitution – exceeding that of state police, federal agencies and any other official, including the U.S. president to the extent that those higher governmental authorities exceed their Constitutional authority. The movement's most prominent group, the Constitutional Sheriffs and Peace Officers Association, takes the position that sheriffs can and should ignore any law they deem unconstitutional.

Richard Mack, the association's founder, called out of control federal and state bureaucracies "the Gestapo of America" that routinely adopt unconstitutional policies. "The sheriffs are going to have to stop it," said Mack, a former sheriff of Graham County, Arizona.

Evidence of vote machine fraud was covered up by Dominion and aided by the political establishment of pro-globalist, anti-Americans is clear. **Accordingly, Peter Hoaxtra's silence on this issue speaks as loudly as does his overtly anti-American voting record.** To date, not a single person has been able to defend this miserable voting record in any way. What can **YOU** do about this?

Get educated and get active in your community!

First step, use these guiding principles to form a team in your community:

We believe the American system of government, a constitutional Republic, is the finest ever developed by man.

We believe the traditional moral values of our Judeo-Christian heritage form the cornerstone of western civilization and that the family is the most vital unit of society.

We believe the free market system, competitive capitalism, and private enterprise afford the widest opportunity and highest standard of living for all.

We believe in the dignity of the individual. We welcome people from all ethnic racial and religious backgrounds judging others only by character and ability - as we wish to be judged ourselves - our common bond is a love for liberty and our rejection of totalitarianism under any label.

We believe that individual rights are endowed by our creator, not government; that the government's function should be limited to protecting our right to life, liberty, and property; and that individual rights are inseparably linked to individual responsibility.

Next, get organized in local chapters of the John Birch Society and start impacting your community ASAP. In this way we can still work as an organized team statewide without concern of interference from the political thugs that set out to lynch Kristina. The fight continues!
