

Dear Friend,

**Anarchy.**

A state of lawlessness, mob rule and might makes right.

Peter Hoaxtra and his “thugs” (as Described by Malinda Pego) created a state of anarchy that proved cover for **political larceny**. But stolen as it is, crying over events that are completed does not mean that the globalists are going to stop destroying our country now. Now more than ever we must be prepared to fight. For the whole purpose of stealing MIGOP was to use it as a tool against America.

**At MRP we will not stop messaging the truth. We will not surrender. We will not comply.**

Personally, I appreciate Kristina Karamo and I know she will continue to excel as a messenger of Christ and of the Constitution. I support her still to this very moment. **Regardless of what happens in MIGOP, we must continue to expose globalism and advance the cause of Americanism.**

**Detroit is cancelled.** There is no reason to attend there.

Many are going to Grand Rapids. **Dan Hartman will be there, be sure to check in with him early.** Those that do should be careful. Remember in Sun Tzu’s Art of War he cautions against committing to battle on the enemies prepared killing ground.

For example, 23 Counties representing 200+ delegates have already been refused registration at the Grand Rapids Michigan Gop Red PAC event by Stu Foster per Carolyn Richards, St. Clair County GOP Chairwoman. Hoaxtra's crew will simply ban enough people to make sure that their whip count is satisfactory. **The Grand Rapids event will be run like a NAZI prison camp.**

If you are going to Grand Rapids, bring all the proof of your credentials with you in writing and be prepared to fight for your seat. Be prepared to share on social media and with audio and video the proof of their totalitarian methods.

Know that there is a continued fight. If you are looking for a new home to center your activism in a truly meaningful way, join the John Birch Society here: Join the John Birch Society : The John Birch Society (jbs.org)
