

Dear Friend,

Thank You! Thank You! Thank You!

We asked you to take action and demand a resignation from RNC Chair Ronna McDaniel. You delivered big time! Shortly after we started our campaign, we started to see headlines like this:

International Business Times · 9h

**RNC Chair Ronna McDaniel
Contemplates Resignation
Amid Pressure**

2. [You continued to respond to our call to action](#)
3. [Ronna ultimately got your message](#)

BREAKING: RNC Chair Ronna McDaniel to Step Down

Story by Michael Luciano • 16h

Bye, Felicia!

CONGRADULATIONS! YOU MADE THIS HAPPEN!

I know this was hard.

Ronna McDaniel was Trump endorsed after all:

“I am pleased to announce that I have given my full support and endorsement to Ronna McDaniel to continue heading the Republican National Committee (RNC).”

- Donald Trump (November 2020)

Ugh. That did not age well. Ronna was a mess. She can comfortably be lumped in with other Trump endorsement duds and bums like:

Vice President Mike Pence

Chief of Staff Mark Meadows

Attorney General William Barr

Natl. Security Advisor H.R. McMaster

U.N. Ambassador Nikki Haley

Attorney Michael Cohen

Attorney Jenna Ellis

RNC Chair Ronna Romney McDaniel

Georgia GOP Chairman David Shafer

Matt DePerno, Candidate for MIGOP Chair

Congressman Tom McClintock (voted against Mayorkas impeachment)

Ronna proved to be a donor class gatekeeper whose best ability was laundering money for swamp creatures and keeping the “riff raff” (read “grassroots activists”) at bay. Let’s inspect Ronna’s “fruit” as RNC Chair.

Election integrity? **Zero.**

Winning Elections for Conservative Republicans? **Complete Failure.**

Raising Money for Swamp Creatures? **Record Setting.**

Betraying grassroots activists? **Benedict Arnold would be impressed.**

Did we thus achieve total victory?

Let's be careful with the replacement. The ridiculous failure of the House to impeach a communist traitor like Homeland Security Secretary Mayorkas should make clear that the idea of swapping out one globalist bum for another is not a plan for victory. Consider the lessons learned in Congress:

Thomas Massie  @RepThomasMassie · 5h

Getting rid of Speaker McCarthy has officially turned into an unmitigated disaster.

All work on separate spending bills has ceased.

Spending reductions have been traded for spending increases.

Warrantless spying has been temporarily extended.

Our majority has shrunk.

Let's see this thing through. We need a real patriot as RNC chair. Make sure your RNC committee people know your expectations. Failure to support the grassroots now should mean a certain loss of position.
