

Dear Friend,

[Donald Trump trusts Kristina Karamo. Trump needs Kristina Karamo!](#)

Donald J. Trump 

@realDonaldTrump

Congratulations to Kristina Karamo, a powerful and fearless Election Denier, in winning the Chair of the GOP in Michigan. If Republicans (and others!) would speak the truth about the Rigged Presidential Election of 2020, like FoxNews should, but doesn't, they would be far better off. The New York Times stated that "This cements the Party's takeover by Trump loyalists." I don't call them loyalists, I call them GREAT AMERICAN PATRIOTS!!!

Trump has not the first clue who Malinda Pego is, but he does know this: [The January 6 coup crew was financed by the Anti-Trumpers!](#)

Make no mistake about it. Malinda Pego, Warren Carpenter, and their band of criminals and gross STD superspreaders are financed by the very same people that were complicit in the 2020 stolen election.

Here is the smoking gun....

Matt Wilk is a **VERY** high dollar lawyer that represents people with yachts and private jets. Warren Carpenter is a drunk with so many DUI's he picked up a felony record for it. In fact, **Carpenter still has an active arrest warrant** for a DUI in his **home state** of **California**.

[There is no way a high polish lawyer like Matt Wilk would represent a dirtbag criminal like Warren Carpenter in any legitimate sense.](#)

Attorney Matt Wilk is an infamous bag man for the establishment Republican set. He is exactly what **Nicky Hailey** and the other globalist funded Republicans are banking on (literally) to prevent Trump from having a dedicated election integrity warrior on his side in Michigan.

[Any vote to remove Kristina Karamo is a dagger to the heart of Trump's campaign in Michigan in 2024!](#)

John Yob knows this as does his bag man and his minions. And they will stop at nothing to use their network of liars and deceivers to derail the 2024 election. **They will stop at nothing to**

torpedo Trump. They know in order to betray Trump, they must destroy Kristina Karamo first.

The lies they tell are fast and furious now. For example, how many people have gotten an e-mail from Malinda with this on it?

Malinda's misappropriation of the MIGOP logo is a fraud and legal charges are pending. The justice system is a slow roll, and Yob will no doubt be heavy handed with the necessary bribes, but **this outrage has not gone unanswered.**

In response to the coup crew frauds, many counties are issuing resolutions in support of Kristina. To date, **every single county to issue an official statement has been in support of Kristina Karamo.**

Not one single county has given countenance to the coup crew's fraudulent claims. But many of them have issued proclamations just like this one:

**RESOLUTION SUPPORTING KRISTINA KARAMO
OCEANA COUNTY REPUBLICAN COMMITTEE**

Whereas, the state of the Republican Party has devolved over a period of many years until the vast majority of Delegate seats were left unfilled leaving a clear path for entitled elite to do their personal bidding.

Whereas, the Republican Party has been infiltrated by multiple avenues of non-Republican thinking with a severe lack of resolve to uphold the Republican Platform and protect and project the most basic will of the People, specifically the Republican voter.

Whereas, many of the previously vacant Delegate seats have been filled by true Republican Delegates, duly elected by the People they represent and said Delegates have found their voice and with pure hearts and astonishing fervor, stood their ground in solidarity to restore the voice of the People.

Whereas, in recent years our duly elected Republican Delegates stood their ground and used their voice in solidarity to successfully put a halt to the unseating of many duly elected Republican Delegates from being replaced by appointed delegates who were recruited to diminish the will of the People and enforce the will of certain people who operate behind the curtain.

Whereas, the duly elected Republican Delegates who truly represent the will of the People, replaced the prior Chair to the Michigan Republican Party by way of a fair and legal election at which nine (9) other candidates were defeated and Kristina Karamo was elected as the Chairwoman to the Michigan Republican Party.

Whereas, a certain group of people who call themselves Republican Delegates have been unhappy with the choice of the Republican Delegates who truly represent the will of the People and prior to the election of Kristina Karamo, they began their campaign against her, using ill-conceived tactics to sabotage and falsified information in their effort to unseat Kristina Karamo from the position we elected her to fulfill.

Whereas, Kristina Karamo has demonstrated amazing patience and strong leadership in her role as Michigan Republican Chairwoman, resolving many challenging situations, utilizing good judgment with determination, showing her commitment to the Republican Party Platform, expending tremendous effort to unify and strengthen our party and showing the utmost confidence, against all odds.

Therefore, be it resolved, that the Oceana County Republican Committee expresses its unwavering support for Kristina Karamo's leadership and appreciates her dedication to advancing the party's beliefs and goals as well as working toward the preservation of the very survival of our future generations.

And now, therefore be it further resolved, that the Oceana County Republican Committee condemns the recent actions of and will not tolerate the sabotage of the Republican Party or the dilution of our Delegate votes being erased by any individual person or group such as those within the Telegram channel group and/or any of its sidelines who falsely represent themselves as MIGOP INFORMATION and seek to sabotage Kristina Karamo and by extension sabotage the success of the Michigan Republican Party.

No doubt you will hear all kinds of crazy rumors as to how or why the true State Central Committee Meeting set for Jan 13 is cancelled. **They are all lies**, one more outrageous than the next, including this fraud:

The meeting on January 13 at 10:00am in Houghton Lake is a definite go and will not be cancelled for ANY reason!

Gretchen Whitmer is a known change agent for the globalist elite with vast financial

resources. **Whitmer can thank Ron Weiser and the rest of the establishment Republican crew for tanking the 2022 election in epic, historic fashion.** Gretchen well knows the value of **controlled opposition** and she has made great use of recruiting morally compromised individuals to do her dirty work.

There are few registered Republicans in Michigan that can compete with **Bree Moeggenberg** for title of most morally corrupt. I grieve for the victimization of Jenn Seabolt as her now estranged husband Andy Sebolt carries on an open, public, notorious affair. **How could Bree possibly do that to another woman? It's despicable.**

Bree Moeggenberg, chair of Moms for Liberty Isabella county and the weirdo who dresses like Wonder Woman at the state board of Ed meetings had a very public affair with Jennifer's husband, the 2nd Congressional District State Chair for the Michigan Republican Party. Family values party?**

Here is the very same Bree Moeggenberg demonstrating her willingness to cozy up to any old ally cat no matter how repulsive.

The weather may be nasty on Saturday. And just in case you cannot make it in person, **there is a possibility to attend virtually.** But in-person attendance is highly recommended.

For this purpose, Phil O'Halloran is organizing vehicle transport to and from the meeting in all wheel drive vehicles. If you need a ride to the meeting, please reach out to Phil at: philipohalloran@gmail.com.

This is the agenda for the meeting on Saturday. You will notice that Kristina has graciously put the issue of her leadership up for a proper vote so that the matter can be fully and finally resolved. This and many other important issues are up for discussion and resolution **so that the work of the Republican Party in winning elections in 2024 can move forward.**

The fight to restore our nation will not be easy. It will require bold action. It will require courage and fortitude. **For this is our history and our heritage:**

“THESE are the times that try men's souls. The summer soldier and the sunshine patriot will, in this crisis, shrink from the service of their country; but he that stands by it now, deserves the love and thanks of man and woman. Tyranny, like hell, is not easily conquered; yet we have this consolation with us, that the harder the conflict, the more glorious the triumph. What we obtain too cheap, we esteem too lightly: it is dearness only that gives every thing its value. Heaven knows how to put a proper price upon its goods; and it would be strange indeed if so celestial an article as FREEDOM should not be highly rated.”
