

Dear Friend,

If you know someone that needs to be added to this policy briefing, please let us know by sending an e-mail here: info@puregrassroots.org.

Mike Rogers is a bum. No amount of any endorsement from anyone will change the fact that **Mike Rogers has a track record of being anti-American.** He has voted in **support of Globalists again and again and again.** When Mike Rogers was in Congress, if you heard headline that sounded like “Republicans caved in on a continuing spending resolution” you could guarantee that Mike Rogers was one of the Republicans that “caved in.” He has been unapologetic about his track record in congress which you can see right here: [Mike Rogers - The New American](#)

Others have taken notice as well.

Readers to this newsletter know that I have been hounding on this fact:

When it comes to Michigan, Trump has no idea what is going on but is instead listening to people that are making money off being his gatekeeper.

And the irony of this post is over the top:

Once again:

I am available for vetting.

I'm really good at identifying never Trumpers.

Honestly, I am a very talented researcher. It would be a shame for my talents to go to waste this cycle.

You know who spoke out against me working for Trump where I wanted to help him with vetting?

@RepMTG @mtgreenee who worked with the @nytimes to sabotage me

Imagine if I worked for Trump and could protect him from Never Trumpers.

I have never missed. I can sniff out a Trump hater from across the pond while I'm in foreign countries.

You have to blame MTG for this.

If I worked for Trump I can guarantee you that he would always have someone in his ear telling him everything he needed to know about every single candidate who sought out his endorsement.

MTG is a saboteur. There is no excuse for her behavior and her partnership with @nytimes to sabotage Trump.

Can anyone deny what I'm saying?

Because I hold the record for exposing Never Trumpers this election season.

Donald Trump just endorsed the worst Deep State candidate this cycle.

This post from Laura Loomer is **most ironic** because the EXACT same people that purchased the Trump endorsement for Mike Rogers also bought HER to do a "drive by" on MIGOP and Kristina Karamo less than 60 days ago! Loomer throwing shade on MTG is unrelated to anything in Michigan.

They say Joe Biden is President. I don't buy it. They say Peter Hoaxtra is the Chair of MIGOP. I don't buy that either. We cannot get caught up in endorsements, but we must think independently. And we must remember core values. We must inspect the fruit and see – do their actions in office match up with their rhetoric? If not, and you just go along with it – the fault is yours.

What can **YOU** do about this?

Get educated and get active in your community, that's what!

First step, use these guiding principles to form a team in your community:

We believe the American system of government, a constitutional Republic, is the finest ever developed by man.

We believe the traditional moral values of our Judeo-Christian heritage form the cornerstone of western civilization and that the family is the most vital unit of society.

We believe the free market system, competitive capitalism, and private enterprise afford the widest opportunity and highest standard of living for all.

We believe in the dignity of the individual. We welcome people from all ethnic racial and religious backgrounds judging others only by character and ability - as we wish to be judged ourselves - our common bond is a love for liberty and our rejection of totalitarianism under any label.

We believe that individual rights are endowed by our creator, not government; that the government's function should be limited to protecting our right to life, liberty, and property; and that individual rights are inseparably linked to individual responsibility.

Next, get organized in local chapters of the John Birch Society and start impacting your community ASAP. In this way we can still work as an organized team statewide without concern of interference from the political thugs that set out to lynch Kristina.
