Michigan Congressman Holds Rally For Marxist Terrorists

Representative Rashida Tlaib (D-Mich.) should be removed from her seat in the House because she held a rally for Marxist terrorists. Tlaib offered remarks to members of the Popular Front for the Liberation of Palestine (PFLP), a secular Marxist-Leninist group that has been involved in multiple terrorist incidents since its founding in 1967.

Tlaib gave a virulently anti-Semitic address to a gathering in Detroit for the "People's Conference for Palestine." Several members of PFLP could be spotted at Tlaib's speech, where she blasted Pseudo President Joe Biden, accusing the Democrat of vacillating on Israel in regard to what she called a "genocide" in Gaza.

Fellow Congressman Mike Lawler took to X on Sunday, claiming that Tlaib's support for PFLP disqualified her from sitting in Congress.

A member of the so-called Squad of far-left Democrats in the House of Representatives, which also includes Alexandria Ocasio-Cortez (D-NY), Ilhan Omar (D-Minn.), Ayanna Pressely (D-Mass.), and Jamaal Bowman (D-N.Y.), Tlaib has long been a thorn in Biden's side for her unabashed support of the Palestinian movement, some factions of which seek to wipe Israel off the map.

On Saturday, Tlaib accused Biden of "enabling" Israel's "apartheid" government as it wages its war in Gaza in response to the October 7, 2023 terror attack by Hamas.

"President Biden says what's happening in Gaza is not a genocide. Where's your red line, President Biden?" Tlaib asked, to a chorus of boos directed at Biden.

"Just imagine — war crimes," Tlaib said, referencing reports she claims to have seen about deaths in Gaza. "President Biden, I hope you hear us loud and clear."

"Every single bullet, every single gun, every single weapon, bombs that we send, is a sacrifice of our own schools here at home," Tlaib declared.

Tlaib's Latest Legislative Scorecard

Tlaib was also harsh with her fellow members of Congress.

"When I watched my colleagues, one by one, voting 'yes' to send \$14 billion to the apartheid regime, those committing genocide, all I kept thinking about is that us, the United States, is the primary investor and funder of genocide," she said. "We're literally co-conspirators. It's shameful."

Tlaib also claimed that protesters who have been disrupting college campuses this year deserved an apology from all who opposed them.

"I'll be damned if I wait 10 years before they apologize to all of you for doing what was right at this moment," Tlaib ranted. "It is disgraceful that the Biden administration and my colleagues in Congress continue to smear them for protesting to save lives no matter faith or ethnicity. It is cowardly. But we're not gonna forget in November, are we?" Tlaib warned.

What, exactly, did Tlaib's threat mean? Perhaps it was a reference to a tactic used by Michigan Democrats in their primary, when more than 100,000 voters chose to vote "uncommitted" rather than cast a vote for Biden. Biden, of course, still won the primary, but if a similar number chose not to support Biden in November, it could cost Biden the state with its 15 electoral votes.

Tlaib had more angry words for Biden on social media, posting on X Friday, "The whole world is taking action to stop the genocide of Palestinians, including the International Court of Justice. Where is President Biden's 'red line'?"

Tlaib accused Biden of enabling Israel after he criticized the International Court of Justice for their demand that Israel stop moving in Rafah.

Tlaib's Idea of "Justice"

"Attacking the authority of the International Criminal Court and interfering in the legal process is nothing more — nothing more — than an attempt to prevent the genocidal maniac Netanyahu and his senior Israeli officials from being held accountable for those crimes against humanity. You are an enabler, President Biden," Tlaib announced.

It'll be interesting to see how Biden and his team will court those pro-Palestine voters in November as he'll be forced to somehow mollify them, possibly at the risk of offending his supporters who remain solidly pro-Israel.

This break in the Democratic lines gives us an opportunity to attack. The reality is that the Constitution provides no authority for Congress to give money to a foreign nation for any reason. What Talib fails to mention is that Biden is giving BILLIONS to Israels enemies as well. How much?

Iran - \$6 Billion

Yemen - \$1.1 Billion

Iraq - \$5 Billion

Jordan - \$1 Billion

Egypt - \$1 Billion

Syria - \$1 Billion

If you're doing the math, you will notice that the \$14 Billion given to Israel was essentially offset by over \$14 Billion given to Israel's known, sworn military enemies.

We are paying for both sides of the war!

Please take notice of this fact as it is not a new one.

Here is what Marine Major General Smedley Butler has to say about the system that we still see operating today:

"<u>War</u> is a <u>racket</u>. It always has been. It is possibly the oldest, easily the most profitable, surely the most vicious. It is the only one international in scope. It is the only one in which the profits are reckoned in dollars and the losses in lives. A racket is best described, I believe, as something that is not what it seems to the majority of the people. Only a small 'inside' group knows what it is about. It is conducted for the benefit of the very few, at the expense of the very many. Out of war a few people make huge fortunes."

Globalists LOVE war. War drives the financial machine like no other concept. War creates fear. War causes death. War destroys.

Kind of sounds like a satanic system, eh?

Michigan is ground zero for the globalist assault on America. Will you join with us and fight back?

What can **YOU** do about this?

Get educated and get active in your community!

Use these guiding principles to form your team:

We believe the American system of government, a constitutional Republic, is the finest ever developed by man.

<u>We believe</u> the traditional moral values of our Judeo-Christian heritage form the cornerstone of western civilization and that the family is the most vital unit of society.

<u>We believe</u> the free market system, competitive capitalism, and private enterprise afford the widest opportunity and highest standard of living for all.

<u>We believe</u> in the dignity of the individual. We welcome people from all ethnic racial and religious backgrounds judging others only by character and ability - as we wish to be judged ourselves - our common bond is a love for liberty and our rejection of totalitarianism under any label.

<u>We believe</u> that individual rights are endowed by our creator, not government; that the government's function should be limited to protecting our right to life, liberty, and property; and that individual rights are inseparably linked to individual responsibility.

If you agree with the above concepts, you are a "Bircher" so let's get organized in local chapters of the John Birch Society to start impacting your community. In this way we can still work as an organized team statewide without concern of interference from the political thugs that set out to lynch Kristina.
