

Dear Friend,

The identity of the Chair of the Michigan Republican Party is decided by:

- a. Elected Republican precinct delegates from Michigan
- b. Washington insiders funded by John Yob
- c. RNC Lawyers
- d. Advisors for Donald Trump

It's not that hard!

We live in a society in which we are constantly told to comply by people that claim to be smarter, richer and more connected. How is that working out? Have we not come to the clear understanding that they will NOT be benign dictators?

Let's be clear.

Kristina Karamo represents Americanism.

Peter Hoekstra is the globalist lackey of Klaud Schwab with a long track record to prove it.

Klaus wants what is best for Klaus, not what is best for you!

Are you ready to roll over and just accept the theft of the party? The theft of another election? Will you comply? Will you be a loyal subject for Klaus Schwab?

Or will you fight for freedom? Will you fight for our nation's heritage of liberty?

Consider these inspiring word of George Washington as to how we should properly respond in the face of political adversity:

"But as it is easy to foresee that, from different causes and from different quarters, much pains will be taken, many artifices employed to weaken in your minds the conviction of this truth; as this is the point in your political fortress against which the batteries of internal and external enemies will be most constantly and actively (though often covertly and insidiously) directed, it is of infinite moment that you should properly estimate the immense value of your national union to your collective and individual happiness; that you should cherish a cordial, habitual, and immovable attachment to it; accustoming yourselves to think and speak of it as of the palladium of your political safety and prosperity; watching for its preservation with jealous anxiety; discountenancing whatever may suggest even a suspicion that it can in any event be abandoned; and indignantly frowning upon the first dawning of every attempt to alienate any portion of our country from the rest, or to enfeeble the sacred ties which now link together the various parts."

Now is not the time to blindly accept "expert opinions" because they have a fancy suit from

Washington. Now is the time for independent thinking!

Peter Hoekstra's record in congress indefensible. Kristina Karamo is the Chair of MIGOP.

Kristina has challenged Peter to a debate.

Kristina has challenged Peter to a vote.

But what can we expect from Peter Hoekstra – both now and in 2024 when Joe Biden and his

The 2024 election is too important.
