Special Live Event: Keyes, Karamo & Colbeck on May 10

Many long serving and long suffering Republicans want to know – “What is the way forward?”

First and most importantly, THERE IS a way forward. A way that does not include Peter Hoekstra or his minions, for there can be no fellowship in evil. And make no mistake about it, Peter Hoekstra and his minions work for anti-American globalists while humming a fake “We Love Trump” tune. Peter is a paid hitman for Klaus Schwab and must be considered nothing less than an enemy combatant.

So, what is the way forward?

The way forward is a Christ centered approach to politics. A rally cry during the Revolution was “No King but King Jesus” and we should follow that advice. This movement cannot be about a cult of personality or about profiteering and glory seeking. It must be first and foremost about advancing the Kingdom of God.

How does that manifest in a practical “rubber meets the road” way in today’s political landscape?

We have the answers from the best minds in the nation and in the state!

Join MRP for a special live event on Friday May 10 featuring:

Ronald Regan Administration Ambassador Dr. Alan Keyes

The “Real” MIGOP Chairwoman Kristina Karamo

Former Michigan State Senator Pat Colbeck

Many more details to follow on these amazing Americans who will address the question: "What is the best way for a Christian Patriot to engage politics in 2024?"

What can **YOU** do about this?

Get educated and get active in your community!

Use these guiding principles to form your team:

We believe the American system of government, a constitutional Republic, is the finest ever developed by man.

We believe the traditional moral values of our Judeo-Christian heritage form the cornerstone of western civilization and that the family is the most vital unit of society.

We believe the free market system, competitive capitalism, and private enterprise afford the widest opportunity and highest standard of living for all.

We believe in the dignity of the individual. We welcome people from all ethnic racial and religious backgrounds judging others only by character and ability - as we wish to be judged ourselves - our common bond is a love for liberty and our rejection of totalitarianism under any label.

We believe that individual rights are endowed by our creator, not government; that the government's function should be limited to protecting our right to life, liberty, and property; and that individual rights are inseparably linked to individual responsibility.

If you agree with the above concepts, you are a "Bircher" so let's get organized in local chapters of the John Birch Society to start impacting your community. In this way we can still work as an organized team statewide without concern of interference from the political thugs that set out to lynch Kristina.
