

Dear Friend,

It's over! The chaos caused by **John Yob** and his minions has come to an end with **the end result being his utter defeat** at the hands of elected delegates. On Saturday January 13, the delegates and the State Central Committee reaffirmed their choice of leadership, Kristina Karamo. In fact, the January 13 meeting started with a standing ovation for our incorruptible grassroots leader! **By a vote of 59-1 Kristina Karamo was overwhelmingly reaffirmed as Chair of MIGIOP.**

Even under the kindest, most generous view for the John Yob led Anti-Trumpers, the votes on the issue were never close to remove Kristina. **They needed 81 yes votes to remove Kristina. They could only get 41 yes votes (over two combined meetings).** Here is a chart authored by Pat Colbeck on the issue:

KEY METRICS PERTAINING TO MIGOP TURMOIL		
75% of State Committee members (107 Total) must vote in favor of removing chair		
<i>Illegitimate</i> Jan 6th Special Meeting 5 Support Karamo 40 Support Her Removal	<i>Legitimate</i> Jan 13th Special Meeting 59 Support Karamo 1 Supports Her Removal	<i>Combined Vote</i> of SC Members 64 Support Karamo 41 Support Her Removal
BOTTOM LINE 60.9% of State Committee Members Support Kristina Karamo		
COINCIDENTALLY 57.8% of Precinct Delegates Elected Karamo as Chair on February 18, 2023 (i.e. Her support appears to be growing in spite of attempts to remove her)		
NOW BACK TO OUR PREVIOUSLY SCHEDULED PROGRAMMING (I.E. SECURING OUR ELECTIONS AND DEFEATING DEMOCRATS)		

It is now time to turn to the 2024 election cycle and what must be MIGOP's #1 priority, retaking the Michigan House. **In this regard, the Pro-America, Pro-Trump legislators in Lansing are thrilled to have a real election integrity warrior like Kristina Karamo in their corner.**

🇺🇸 I STAND WITH KRISTINA KARAMO 🇺🇸

I have had the pleasure to build a friendship with Kristina, and was proud to cast my vote for her as Chair of the Michigan Republican Party in 2023.

She is the leader of the grassroots movement of Patriots in Michigan, and has experienced unprecedented attacks from a group of elites who lost power.

I stand with the People.

I stand with the Delegates.

I stand with Kristina Karamo.

Next week we will start focusing on winning solutions. But before we turn the page, an epilogue to the events of the last few weeks.

The FA/FO meter ran to full on Saturday as the State Central Committee removed Malinda Pego from her position and **banned her** from the party for 5 years. **Andrew Sebolt, Bree Moeggenberg, Anne DeLisle, Tim Ross, JD Grifter & Daniel Lawless have also been removed from their positions.**

Only a small group of hardened chaos agents were involved in the January 6 failed coup attempt. Most went along with the plot because they were simpletons, or they were promised personal advancement. **They were assured that they would be supported by Trump and/or the RNC would weigh in.** They were promised that the media would come to their side.

Put simply, their plan failed. As to Trump, the closest thing they could manage was a **D list celebrity** in Laura Loomer despite gobs of money being thrown at Trump insiders to **buy social media posts** torpedoing Kristina. **The RNC letter** that they thought they would get before the 13th **never materialized.**

The liberal media did support the coup with full throat, sourcing “businessman Warran

Carpenter” like he was Moses with engraved tablets. But this weapon lacked impact as any sensible person will read a Craig Mauger story and intuitively know that, not only is he lying, the opposite of what he is saying is probably closest to the actual truth. As you would expect, the entire time Mauger knew Carpenter was less “businessman” and more “drunk with an active arrest warrant.”

Because the number of hardened conspirators is few, everyone in rebellion that has not yet been removed has an opportunity to take Sunday to reflect and spend time in prayer. There are some that believe in the Machiavellian axiom “If you take a shot at the Queen, you better

not miss.” But this does not account for Kristina’s Christian faith. For Kristina’s faith is in the LORD. And scripture has a different lesson to apply.

If previously rebellious people are now willing to make peace and legitimately work in unity with Kristina’s leadership team, **clemency and grace will be their experience**. Kristina well knows that she needs all the help she can get to win for Trump. To win the General Assembly. To win the elimination of property tax. To win for the people of Michigan.

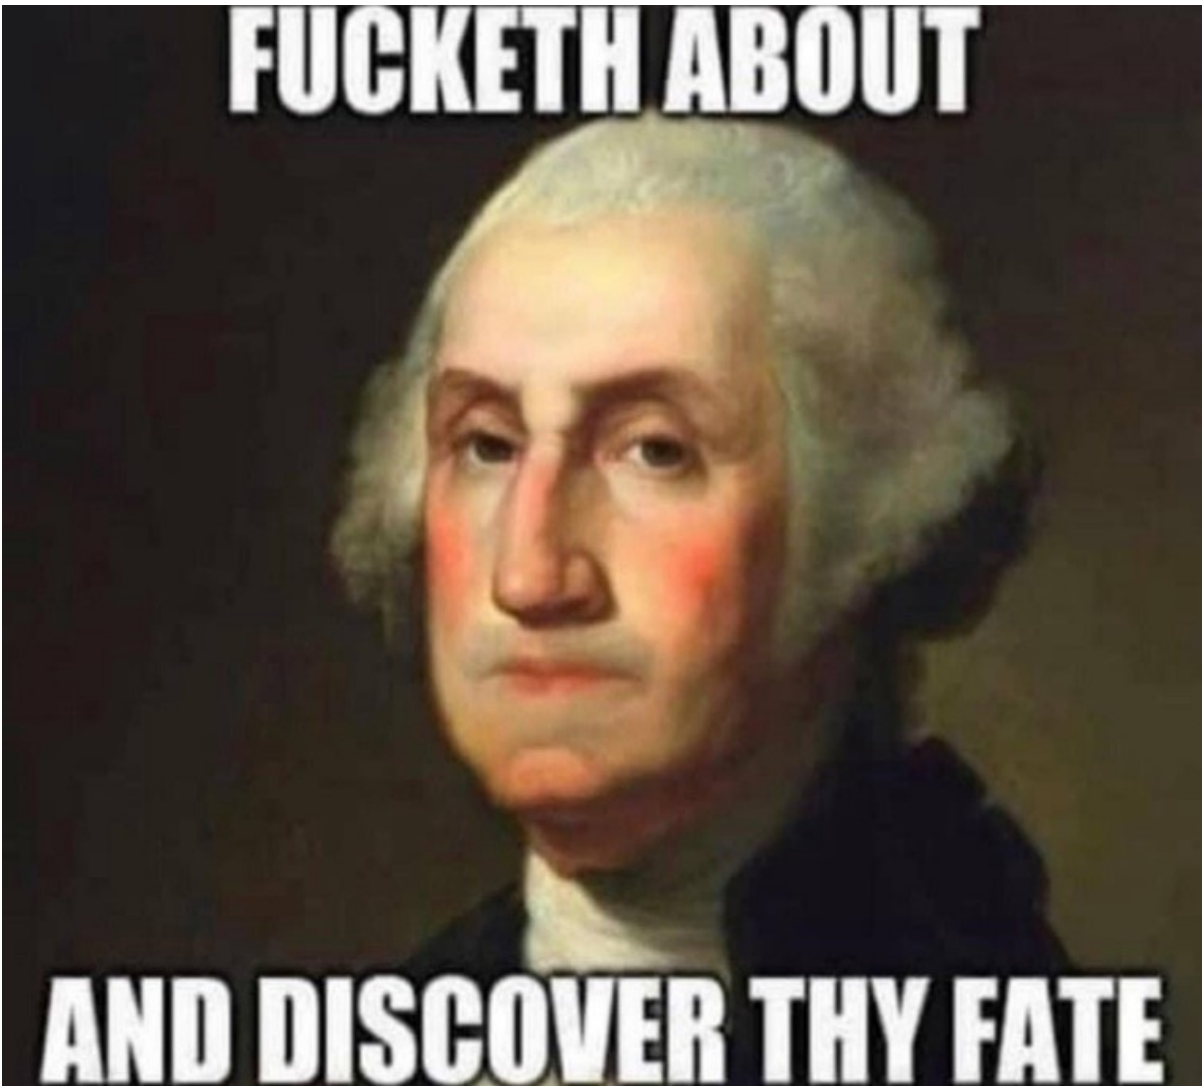

As to the die-hard malcontents, its addition through subtraction and they can now join up with their boss in total irrelevance.

So that you well know the name and the face, this is their boss and one of his chief hatchet men:

John Yob & Matthew DePerno

Is it just me, or do these creeps look like they just got off a Jeffrey Epstein flight?

Hey Matt!

“Here is some candy little boy!”

Mr. DePerno was so excited about his role as hatchet man he was posting all about me on his twitter feed last week!

That one did not age well.

But I could see the humor in the whole thing...

Apparently, hatchet man Matt DeParty Pooper has no sense of humor...

Before concluding, I do want to personally thank [Tom Norton](#), [Daniel Lawless](#), and [Kelly Carpenter](#) (Kelly is Warren's wife. Apparently, he was so afraid of me that he hid behind her skirt and let her fight his battles for the last few weeks).

Along with a few others, they helped propel interest in me and MRP, especially by highlighting the political retribution I personally endured for being on Ohio Governor Mike DeWine's hit list. What they thought would embarrass me was just cementing by bona fides as a trusted anti-establishment warrior. This comes as no surprise to any Christian familiar with Genesis 50:20.

You may wonder, why does Mike DeWine hate me? [I am very proud of the reasons!](#)

Mike DeWine, as I am exposing his Globalist associations to a Tea Party crowd of thousands in Zanesville, Ohio in 2010

More than just being a relentless thorn in DeWine's side, I have been in the core teams that derailed his agenda and continually embarrassed him politically. Together with many friends, as a fundraiser and political organizer **I have helped engineer a massive remake of the Ohio General Assembly** to the point that we have passed spending cuts, tax freezes and bills to protect children and defend liberty. When DeWine got in the way, we successfully performed veto overrides – not once, but twice!

Imagine Michigan's spending – cut in half.

Imagine Constitutional Carry and unfettered 2A rights in Michigan.

Imagine a ban on the mutilation of minors under the guise of "gender affirming care".

Imagine that ONLY women could participate in women's sports.

My children are regulars testifying on bills. Here is my daughter two years ago (at age 6 with

the lead sponsor Rep. Jenna Powell) testifying on behalf of the Save Woman's Sports Act at its first hearing. The bill was enacted January 2024.

Imagine Critical Race Theory and SEL being banned in public schools.

All of that seemed as impossible in Ohio 5 years ago as it does right now in Michigan.

Yet all of that has already become law in Ohio. And we can do it here in Michigan too. In fact, that is why I was recruited to operate in Michigan.

It did come with a price. Two important colleagues, (one a legislator, one a lobbyist) were both murdered. Their deaths remain unsolved. Three others, (two legislators, and a GOP party official) were both convicted and imprisoned on bogus charges not much different than Dana Nessel's crusade against the 16 electors. Even though I may have been the most militant Anti-DeWine crusader, God took amazing care of me as I suffered the least of all from the political retribution. **I am truly blessed.**

One of the “Nessel 16”, Cliff Frost is a real patriot.
I am a proven Anti-globalist, Pro-American specialist in developing Constitutionalist based, principled legislative leadership teams that can successfully drive home critical bills even if they must go through a veto to get it done. I speak truth to power, and I will trust in the LORD for my protection.

As you can see below, I have need of your prayers. **Please pray for me and my children!**

As a American, my motto is simple: Less Government, more responsibility – and with God’s help – a better world.

As a father, my goal is clear. My children have never had a single vaccine of any kind. They have not set foot in a government school for even one day. They love the LORD. I am going to make sure none of that changes. And I am going to do everything I can to keep my children’s names - and every American child’s name, from ever having to be chiseled onto a wall like this:

Our country is at war. I am not going to back down. I trust you won’t either. For we have heady days ahead of us with **the future of Western Civilization on the line.** I am ready to report for duty for, as Thomas Paine once stated, “I prefer peace. But if trouble must come, let it come in my time, so that my children can live in peace.”
