

Dear Friends,

What could be more important goals for the Republican Party in Michigan than to retake the house in 2024 and see Donald Trump on to victory in the state?

Yet there seems to be **many Republicans that are more interested in slander, rumors and *ad hominem* attacks of Republican State Leadership.** How is this helpful? How does this produce any kind of victory in 2024?

Let me be clear on this. Kristina Karamo won the election for MIGOP Chairwoman, and it wasn't even a close election. The results of that election were tantamount to an overwhelming mandate for Kristina to be Kristina. Don't like it? **TOO DAMN BAD!** Get over yourself already.

Anyone with the least bit of intelligence knows that the bylaws virtually assure that there is no way to remove Kristina and so any effort in that area is stupid folly perpetuated by people with an agenda that does not include winning any political races in 2024.

Due consideration of the facts is necessary here regarding the attacks on MIGOP from people claiming to be conservative Christians. **What has Warren Carpenter or his master, employer, and financier John Yob done to raise money for the 2024 election cycle? What have they done to promote America's first candidates in the House and Senate? What have they done to support Donald Trump for President?**

Zero. Zilch. Nada.

The sour grapes of losing the MIGOP election have sent Yob and his minions into a tizzy of scorched earth action with no regard to the consequences of their actions. **Carpenter and his master Yob might as well be on Gretchen Whitmer's payroll along with Craig Mauger.**

With scripture, we can test the fruits of Warren Carpenter and his master John Yob. Their slander campaign against MIGIOP leaders violates so many provisions of the Bible. Here are just a few citations to expose their decidedly unchristian conduct and illustrate that Warren Carpenter and his master John Yob have no more regard for Christ than Joe Biden has for the Constitution of the United States of America:

Proverbs 25:23

Romans 1:28-30

Psalm 101:5

Psalm 15:1-3

1 Peter 2:1

2 Corinthians 12:20

Upon “testing the fruit” offered by Warren Carpenter and his master John Yob, we can see that it is rotten to the core. Their slander should get no play in the legitimate marketplace of ideas. They have demonstrated a complete willingness to be Anti-Christ and Anti-American simply for their own personal gain.

In stark contrast, reasonable people that love Christ and love America should embrace Kristina and MIGOP with open arms and demonstrate a dedication to work cooperatively toward actually winning races in 2024.

Our goals should be clear: Less government, more responsibility – and with God’s help – a better world.
